

# TRIPLE INSULATION REBATE

Making your home more energy efficient with insulation is an easy way to save energy and lower your bills. With **TRIPLE INSULATION REBATES** available through our Weatherization program, installing insulation is more cost-effective than ever.

Receive rebates of up to 45 cents per square foot for installing R-30 rated or greater attic insulation, and up to 15 cents per square foot for installing R-13 rated or greater wall insulation.

To download the rebate application, [click here](#).

\* Rebate amounts will vary by the type and amount of qualifying insulation used. Rebate covers insulation materials only (excludes labor). Applications must be received by June 30, 2010 to qualify for triple rebate amounts.

Southern California Gas Company may offer additional rebates for insulation.
